**What is it:** RAGBRAI®, The Register's Annual Great Bicycle Ride Across Iowa®, is an annual seven-day bicycle ride across the state. RAGBRAI is the longest, largest and oldest touring bicycle ride in the world. If you haven't experienced it, you've missed out on the biggest and best ride in the United States. Trust us on this! Each year, the Pella Cycling Club organizes a team of riders and the necessary support for this epic event. If you want to learn more about RAGBRAI, check out the official RAGBRAI web site: [www.ragbrai.org](http://www.ragbrai.org).

**Reasonable Rates** – you get all of the above for just \$275 (PCC fees), all week! Depending on your circumstances for travel, it could be less – see the cost breakdown on the RAGBRAI calculator form.

**Large enough to be taken seriously, small enough to be friendly!** The Pella Cycling Club has a reputation of quality fun! We're constantly thinking about ways to improve and make your experience better. That's why our Support Vehicles are such valuable assets – we have dedicated, knowledgeable members who give their time, expertise and resources to do things right. But we're just the right size to get to know you, and have you get to know us! There's room and respect for your individuality, while graciously accepting you as an important and valuable member of the team. With the wide variety of abilities, interests, and personalities in our club, you'll be sure to find someone as a riding, conversation, or social partner!

**We're well-organized** – We've been doing this since 2001 and always have a full team with an experienced support crew.

**NOTE:** We must limit the number of riders to 55 per day in order to provide the support listed above. Those who have ridden RAGBRAI with us before, or are an active current member, will be given first priority to join the team. It will be opened up to new team members after February 20.
